Bournemouth University
Student project platform
Work experience opportunities.

Sponsor benefits and opportunities

- Promote public and student engagement with Science, thereby inspiring Scientists of the future for your workforce.
- Fulfil Corporate Social Responsibility – through donation, fundraising, staff involvement or support in kind.
- Provide a platform for the testing/showcasing of your apprentice projects.
- Promote and extend your staff skills base, including technical, financial, social or communicative.
- Raise your profile in the community through your links with EXplora and our acknowledgment of your donation at the Centre.
- Have positive tax implications.

Tourists and visitors to the area

More than 31 million visitors stayed in Dorset in 2011 according to Dorset Data 2011. We estimate up to 64,000 of those will visit EXplora in our first year of trading.
